OVERCOME. Sometimes businesses become so complex that it's easy to take one's eye off the ball. Generally, when management is truly passionate, focused, and committed to achieving company performance goals their business is successful. I feel this book will serve as a valuable tool to inspire the very passion and commitment businesses need to remain on top of their game. -Jim Reid, Vice President, Budget Rent a Car of Southern California Ken Keller is one of the most insightful business advisors I have ever met, from the standpoint of being able to zero in on what really matters in building a successful business. His advice essentially comprises everything they don't teach you in college about running a company. -Tom Jackson, Stonewall Ventures, Charlotte, North Carolina Ken, like no other author, has a unique way of sending a clear message in a manner that we can all receive. He has a knack of summarizing the works of others, giving his own sound business advice and just leaving us feeling a whole lot better. He helps to stuff our knapsacks with tools we can use today and with ideas that will prepare us for the future. -Georgene Waterman, Ph.D., Leadership One, Sacramento, California Ken couples common sense business practices with a code of professional ethics and integrity. The result is a set of inspirational and practical tips for CEOs, business owners and other top executives! -Lee Self, President, Renaissance Executive Forums of Northern Virginia If a business owner had the choice between an MBA and reading Ken Keller on an on-going basis, there's no question in my mind ....
