

A Question of Time: On Brief Dynamic Therapy (Paperback)

By Angela Molnos

KARNAC BOOKS, United Kingdom, 1995. Paperback. Book Condition: New. 234 x 154 mm. Language: English Brand New Book ***** Print on Demand *****. This book aims to describe and explain the bias against brief psychotherapy, whilst stressing the importance of actively challenging resistance and working through the transference. It also covers the positive use of anger - even from the first session. As a group analyst concerned with social and psychological issues, Dr Angela Molnos brings a unique perspective to bear on the problems raised, both for society and the individual, by the confusion and the prejudice surrounding HIV infection and the Aids epidemic. Recognizing that these problems can vitiate even the most enlightened health care policies, she draws on her experience gained by working in several countries to put the case for the application of group analysis, through the organization of staff support groups, to those directly concerned with policy implementation; The carers themselves. In the first part of her book Dr Molnos demonstrates how, if unchecked, conscious and unconscious prejudice can promote destructive tendencies within the groups involved with HIV and AIDS patients. The second part recounts the author's experiences, and insights gained, during the course of a workshop convened...
