E6 2007d OCLC Number: (OCOlc)654107075 Subject: Public buildings -- United States -- Cost of operation. Excerpt: . . . 11 Competitive Energy Procurements. - GSAs energy experts develop procurement strategies for natural gas, electricity and green power to achieve the best competitive price, taking into account the facilitys organizational goals - which may include budget stability, energy reliability and security. We provide this service to all Federal agencies - it is part of our mission. Public Utilities. - To negotiate the best rates, GSA awards large public utility area wide contracts for electricity, natural gas, steam, chilled water, and water and sewage services that are regulated by public utility commissions, utility cooperatives or municipal utility companies. In many cases, these contracts allow for demand side management services, which include alternative financing for energy projects. In addition, GSA provides leadership in developing contracting vehicles, allowing end-users to meet multiple Federal energy requirements in both public law and executive orders. Energy Tracking. - We track energy consumption monthly at every GSA facility. Our system provides the status of energy trends as they relate to...
