Sam n me, the me is a cowpoke called Gramps, are treasure hunters and this trilogy called The Monastery Treasures, tells you how they get started on a series of treasure hunts that will knock your socks off. This is the first of several anthologies that will bring together treasure hunting adventures in an easy reading format, I call my Saturday Matinee books. Saturday Matinee s were popular when I was a kid. They were serial movies the local theater had every Saturday that gave you an episode of an ongoing adventure that had you excited about going back the next Saturday to see the next episode. The Monastery Treasures are about treasures hidden by three different monasteries, with each hidden treasure being greater than the last. The only way to find them is for Sam to solve the complex code the monks used to describe where the treasures were hidden. That s only part of the problem the treasure hunters have. Sam s Uncle Timothy is determined to get the treasures when their...
