Brand New Book ***** Print on Demand *****.A while back, I made the mistake of walking into the VA hospital in Loma Linda, California, to get a right knee implant. How was I supposed to know the surgeon was lying about his rate of success? He lost my upper partial dental plate, the titanium prothesis became infected, and my right knee is now frozen in a bent position. I can t stand up, I m not comfortable lying down, I m horribly scarred, I can t drive, and I m stuck in a rickety wheelchair that desperately needs a front end alignment. They addicted me to morphine and sent me home to die. God help me before I m dead and gone. Quacks is about negligence, malpractice, and abuse in VA nursing homes. Read it to find out how to change the VA system for the better.
