Trafford Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Women s Worth: Priceless focuses on the necessity to protect and promote the human rights of women and girls around the world. As a feminist book written by a man, it is unique in its approach and message. It provides an ethical theme centred on feminism, equity, and social justice. It is a sad commentary on the historical and traditional prejudice against women and girls. In the world s poorest countries, women and girls are among the most vulnerable and marginalized members of society. This goes without saying that women s rights violations are present in every country and at every level of society. Eliminating gender discrimination and empowering women are among the imperatives facing the world today. Although much has changed in the decades of women s rights advocacy, the rights and entitlements claimed for women and girls are commonly ignored or suppressed in many societies worldwide. Consequently, hundreds of millions of women and girls are deprived of their human rights. But what can we, the concerned people, do to stop these abuses? I believe the answer is to support global advocacy and action to secure women s and girls rights. It would help if we could all make an effort to create a world fit for women and children to grow up safe and live happy and healthy.
