Mittal Publications, New Delhi, 2008. N.A. Book Condition: New. vii+298pp Textile materials are of interest to everyone, for they play a most important part in civilised life as we know it today. Throughout the past centuries a few simple fibres, particularly cotton, linen, wool and silk, have been used mainly for clothing purposes. Today these fibres, with the possible exception of silk on account of its scarcity and high price, are being widely utilised for various industrial purposes; some examples...
