GRIN Verlag Jun 2009, 2009. sonst. Bücher. Book Condition: Neu. 211x146x7 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject Orientalism / Sinology - Islamic Studies, grade: 92, Ben Gurion University, course: Tsars, Comrades and Prophets: Historical and Contemporary Perspectives on Islam in Russia and the Former Soviet Union, language: English, abstract: For almost a millennium Russia has interacted with Islam. After the collapse of the Soviet Union, Islam has had a considerable impact on the formation of a new Russian identity. The 'ideological and cultural vacuum' generated by the enormous political change hampers the creation of this identity. In the new liberty, formerly excluded and suppressed minorities strive for self-determination and recognition of their rights. The following study briefly depicts the new political situation. Further it analyzes the policies of the post-Soviet Russian Federation government and its consequences for Russian Muslims; it compares them with the policies of the Central Asian state of Uzbekistan. Using Turkey as a specific example, conclusions are drawn about the effects of this new socio-political climate on Russian Muslims. 16 pp. Englisch.
