Conscious Babe Books. Paperback. Book Condition: New. Paperback. 278 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. In her early thirties, Jenna Fontaine felt as though something was deeply missing from her life-a life that by all considerations appeared to be successful. She lived in a home by the ocean, worked with Hollywood's elite at one of the best spas in the country, and pursued her passion for travel and proclivity for adventure. Turning to the guidance of a gifted astrologer for answers, she was surprised to learn of her future-one in which she was destined to become an author. Writing had come so naturally, she never considered it as a viable career. To her, it was a great source of private introspection and satisfaction. Without a clear vision of her literary future, she began the task of writing with an open mind. Remarkably, the greatest challenges of her life spilled upon the page-the unavoidable realities of a military upbringing, the struggle to find God, the hazards of exploring her sexuality, and the quest to find true love-each uniquely narrated through the perspective of her soul. This insightful and deeply revealing book is a story about a new generation of spirituality emerging across the globe, spoken with true authenticity in the spirit of hope. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
