Controlling Unemployment Insurance Costs: The Employer's Comprehensive Guide to the Uic System (Hardback)

By Gabe Donnadieu, Robert A. Schuler, Judith Schuler

ABC-CLIO, United States, 1994. Hardback. Book Condition: New. New.. 231 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****. With powerful, clearly written advice on how to control and to reduce dramatically unemployment insurance compensation taxes, here is an authoritative, useful guide to the UIC system. The authors draw upon their extensive experience to detail intricacies and pitfalls in the UIC system; they provide principles and strategies to help employers avoid them. With information on documenting and warning employees in cases where discharge may be imminent, proper use of the information in this book can help protect a company against unwarranted UIC tax charges. The authors also guide employers through the appeals process, demonstrating how to prepare, organize, and present a UIC case. Also included are myths and misconceptions about the UIC system, a look inside a local UIC office, and in-depth examination of how to deal with the UIC decision process, from the local office to the highest level of administrative appeal. This guide is an indispensable tool for anyone involved in hiring, discharging, or dealing with unemployment issues. Complete with sample forms and letters, a sample script of a typical UIC hearing, and comprehensive...
