Its new characters and a new story that will remind you of classic stuff. -Joe Crowe, The Last Starfighter meets the X-Men in an epic new series from rising author Russell Stoll. An extraordinary event is predicted on a dark world called Earth, a planet still ignorant of the thriving galaxy around it. A rare being of nearly unlimited power called a quiznot will arise on its surface. The powerful take notice and prepare, for if you control the quiznot, you control the galaxy. Which means nothing to thirteen-year-old Timothy Starr-his life is in free fall. After a chance encounter with a beautiful girl, he s developed psychokinetic abilities driven by his emotions. When his outbursts nearly kill two classmates, he s banished to the Smithson School, a place that can help him, he s told. But the teachers don t seem interested in helping him get better and the few other students he meets with unusual powers are sullen and reclusive. When he discovers that the school is built over...
