Tabman shares behind-the-scenes decision making that resulted in an operation either succeeding or failing. Readers will be intrigued by parallels between police work and daily life challenges, and how basic law enforcement concepts can resolve problems and conflicts. The parallels are compelling. In an approach that captivates the reader, Tabman explains the similarities with candid descriptions and dramatic, and often humorous, vignettes from his days on the force. The concept that rushing into a melee without stopping to think is as dangerous in police work as it is in business and our relationships is one example of how this book will open new and energizing doors.
