Impact Christian Books, United States, 2008. Paperback. Book Condition: New. 208 x 135 mm. Language: English . Brand New Book. Why have so many people not had success in losing unwanted weight? Can weight gain sometimes be unnatural - even supernatural? Could anorexia be linked to a spirit of suicide by starvation? Might bulimia, compulsive eating and food addictions have a common root cause? Most overweight people have no real idea why they overeat, and often live in continual condemnation for not having sufficient will power or self-discipline to control their eating habits. Many feel rejected, or that they are unattractive. Bill Banks presents many unsuspected roots underlying overweight conditions, as well as roots underlying anorexia and bulimia. Dozens of causes for overeating are disclosed. There is a solution to overeating and excess weight, and it is as old as the ministry of Jesus Christ! Revealed in more than 15 case histories are accounts of real individuals who found freedom from the bondage of excess weight. Learn what revelations led them to freedom from overeating, undereating and excess weight.
