This Proud and Savage Land

By Alexander Cordell

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, This Proud and Savage Land, Alexander Cordell, Hywel Mortymer's story begins in 1800 when he is sixteen and a dramatic change in fortune leads him, innocent and inexperienced, to a brutal and dangerous life working in the coal mines. In the mines children can be horribly maimed in devastating gas explosions, or grow deformed with the burden of their labours and babies are born underground. Wales is in turmoil. A tragic divide between rich and poor, the workers powerless, penniless, starving and diseased sparks growing unrest as the newly founded Unions move inexorably towards the Chartist Rebellion. This Proud and Savage Land is a brilliantly detailed chronicle of early nineteenth- century Wales and a prelude to the bestselling Rape of the Fair Country.

Reviews

It is one of the best ebook. It is one of the most incredible pdf I actually have gone through. I am just easily will get a satisfaction of looking at a composed book.

-- **Elisha McCullough**

The publication is great and fantastic. It can be filled with knowledge and wisdom. You won't truly feel monotony at any moment of your time (that's what catalogues are for about if you ask me).
