iUniverse, United States, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Expectant Fatherhood; What the Women Forget to Tell You, is a delightful journey through the longest nine months of a man's life-his wife's pregnancy. Tired of falling asleep from trying to read his wife's pregnancy books, Miles, a father of one with one on the way, thumbed his nose at the stuffy pregnancy books, rolled up his sleeves and gave birth to a book of his own. Fatherhood takes a new approach to the subject; written for men, from a man's perspective. Covering all the bases, Miles tells you what to expect from your wife, her doctor, the hospital, and even your in-laws. Filled with humorous anecdotes from his own experiences, and peppered with plenty of facts and figures along the way, Fatherhood is a must-read for every expectant father who hopes to maintain his sanity until the baby arrives. Miles, author of *Don't Take Me to Your Leader*, *Angelina the Martian's Lost Notes on America*, gives us more of his unique brand of humor, insight, and dead-on observations that have become his trademark. Expect to be both entertained and informed.
