Our 1st edition Indiana 8th Grade Math Test Prep for Common Core State Standards is an excellent resource to assess and manage student's understanding of concepts outlined in the Common Core State Standards Initiative. This resource is formatted into three sections: Diagnostic, Practice, and Assessment with multiple choice in each section. The material covered includes knowing that there are numbers that are not rational, and approximate them by rational numbers; expressions and equations work with radicals and integer exponents; understanding the connections between proportional relationships, lines, and linear equations; analyzing and solving linear equations and pairs of simultaneous linear equations; defining, evaluating, and comparing functions; using functions to model relationships between quantities; understanding congruence and similarity using physical models, transparencies, or geometry software; understanding and apply the Pythagorean Theorem; solving real-world and mathematical problems involving volume of cylinders, cones, and spheres; and investigating patterns of association in bivariate data. These standards are covered extensively by the practice problems. This book contains over 600 practice problems aligned to each Common Core State Standard. In addition the book contains...
