Dimensions: 9.0in. x 6.0in. x 0.2in.American Slaves and the Christian Church. Christ, Prayer and American Slavery. Recollections of American ex-slaves and their memories of Religion, Prayer and the Christian Church. In the United States Christianity not only held views about Slavery but Slaves practiced their own form of Christianity. Prior to the work of Melville Herskovits in 1941 it was widely believed that all elements of African culture were destroyed by the horrific experiences of Africans forced to come to the United States of America. Since his groundbreaking work scholarship has found that Slave Christianity existed as an extraordinarily creative patchwork of African and Christian religious tradition. The slaves brought with them a wide variety of religious traditions including both tribal shamanism and Islam. Beyond that, tribal traditions could vary to a high degree across the African continent. This item ships from La Vergne,TN. Paperback.
