Jakes turns his attention and teachings to the topic of relationships and the issues that need to be resolved by incorporating the spiritual and psychological tools that will help you reevaluate and reposition yourself. Relationship decisions come down to five crucial components, according to Bishop Jakes: Research: gathering information and collecting data Roadwork: removing obstacles and clearing the path Rewards: listing choices and imaging their consequences Revelation: narrowing your options and making your selection Rearview: looking back and adjusting as necessary to stay on course Before You Do gets you on the right track to making decisions that you'll be proud of for the rest of your life. He gives you insight on how to reflect, discern, and decide the next step to take to have a strong and enduring love, marriage, and family.
