Quercus Publishing Plc. Paperback. Book Condition: new. BRAND NEW, Stiff Upper Lips and Baggy Green Caps: A Sledger's History of the Ashes, Simon Briggs, Peppered with bouncers, expletives, and even the odd diplomatic incident, Stiff Upper Lips and Baggy Green Caps is a rip-roaring journey through 124 years of Ashes history. In September 1882, The Sporting Times published a mock obituary for English cricket, and a great sporting rivalry was born. Relations between England and Australia have never been the same since. Every other year, the two teams gather for the traditional frenzy of backbiting, finger-pointing and dubious facial hair. For a list of every Ashes century and five-wicket haul, try Wisden, but if you want to know which England batsman was a martyr to syphilis and which Australian fast bowler reckoned the Queen had 'nice legs for an old Sheila', then read on. Stiff Upper Lips and Baggy Green Caps exposes the seamy side of Ashes cricket - the inside story behind controversies from the Bodyline series of 1932-33 to the Lillee and Thomson blitzkrieg of 1974-75. It profiles great players from W.G. Grace to K.P. Pietersen, and captures choice examples of the dark art of 'sledging'.
