One of the longest running story series for children is The Bobbsey Twins and it has delighted children and their parents for over a hundred years now. Follow the adventures of two sets of young twins at the turn of the Twentieth Century when there were no telephones, radios, or televisions, and horses and carriages were common-place. When the series begins (1904), Bert and Nan are eight, and Flossie and Freddie are four. The twins enjoy wonderful days filled with sunshine and love with their playmates, Grace, Nellie, and Charlie, and get into and out of trouble as only little kids can manage. Their dog, Snap, and their cat, Snoop, go along on many of their adventures as the family visits friends and relatives. First, Bert, Nan, Flossie, and Freddie help solve a strange mystery about an old man and his long-lost sons; next Bert and Nan get lost in a blizzard when the family goes to Mr. Bobbseys new Christmas tree camp; and then Flossie and Freddie get carried away in a balloon when the family goes to a County Fair!...
