A PRIMER FOR ENVIRONMENTAL LITERACY

Yale University Press. Paperback. Book Condition: New. Paperback. 254 pages. Dimensions: 9.2in. x 6.0in. x 0.5in. This broad-ranging book presents the key concepts of environmental science in an accessible style that can be understood by those who are not natural scientists. It offers a way to improve environmental literacy-the capacity to understand the connections between humans and their environment. Unique in its breadth and simplicity, the book is also unusual in that it uses a top-down approach, starting with a global...

Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.
