

## Ecology: Cohesive, Concise, Yet Comprehensive Introduction for Students and Professionals (Paperback)

By Paul Sanghera

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In this book, Dr. Paul Sanghera, the bestselling author of several books in science and technology, provides a cohesive, concise, yet comprehensive coverage of the key concepts of ecology in an accessible way. The book presents material in a logical learning sequence: each section builds upon previous sections and each chapter upon previous chapters. All concepts simple and complex are well-defined and clearly explained the first time they appear. There is no hopping from topic to topic and no technical jargon without explanation. This book is useful for both students and professionals in biology. Students can use the distilled information in this book to excel in their assignments and exams. Even though this book is self-contained, it works as a great companion to any textbook in general biology. Professionals in a biology-related field can use it for quick reference or for a quick review of fundamental concepts, whereas the newcomers can use it as their gateway into the field to quickly ramp up to speed. The chapters in the book have the following special features: \* Note. A...
