That the policy of the Government and the labor of the people result in daily increasing poverty can have no other reason than this. It is most necessary, therefore, that change be made that will be of general advantage, and greater attention than ever ought to be given to the matter. Recently WE received a report from the Bureau of National Administration in reply to the memorial of Prince Tsai-chen, requesting that a Board of Commerce should be established. We have already issued an Edict sanctioning the proposal. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
