By MR Ron Kness

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. As a blogger writing posts on three websites in response to submitted GI Bill questions, I'm continually both surprised and frustrated at the amount of misinformation there is floating around out there and at the number of veterans who end up mismanaging and squandering their GI Bill benefits - ending up with nothing to show for their hard-earned benefit. I constantly see the same, or variations of the same questions, asked over and over again, so my intent with this guide is three-fold: Put some of the mis-information to rest. Provide answers to frequently asked questions. Provide some ways veterans can use to shorten their time to a degree. Highlighting the savvy tactics veterans can use to maximize their GI Bill benefits by starting the tactic out with Secret #. After exhaustive research over the last three years, I finally have a finished comprehensive guide that shows you the GI Bill facts and ways you can use to maximize the effectiveness of using your GI Bill.
