By Pascal, Francine

Simon Pulse, 2003. Mass Market Paperback. Book Condition: New. 0689859260 #3: RUN: Sam is gone. No, not just gone. Someone's taken him. Kidnapped him to get to me. And i have only three hours to find him, or Sam is going to die. All because of me. It all began in a funky brownstone on Perry Street where Gaia Moore lived with her foster family. But Gaia's little Village was brimming with people hell-bent on her own destruction, and her efforts to stay safe took her from parkside chess tournaments to greasy spoons, from the posh Upper East Side to scuzzy college dorm rooms. Along the way she managed to pick up a skate rat, a beauty queen, a hottie reformed school nerd, a recovered punk-rocker, and even a Soviet junior detective. None of whom turned out to be what he or she originally seemed. Now, in one volume, keep pace with Gaia's latest adventures and revisit the origins of her unique story! #27: SHOCK: When Sam disappeared, I thought the pain would kill me. Now that he's back, I'm thinking I had it wrong. The pain's not going to kill me. He is.
