

Outlook 2002 For Dummies

By Bill Dyszel

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Outlook 2002 For Dummies, Bill Dyszel, Microsoft Outlook was designed to make organizing your daily information easy -- almost automatic. Outlook pulls together everything you need to know about your daily tasks, appointments, e-mail messages, and other details. It can act as your assistant in dealing with the flurry of small but important details that stand between you and the work you do. Outlook 2002 For Dummies shows you how useful Outlook is, but also demonstrates new ways to make it more useful for the things you do most. If you fit any of the following categories, then this book is for you: * Your company just adopted Outlook as its e-mail program and you need to figure out how to use it in a hurry. * You're planning to purchase or have just purchased Outlook and want to know what you can do with it and how to use it. * You want an easier, more efficient tool for managing tasks, schedules, e-mail, and other details in your working life. Even if you don't fall into one of these groups, this book gives you simple, clear explanations...
