Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There might be a blizzard outside, but it's nice and steamy inside with my best friend Emily. I'm over at my best friend Emily's house and it's snowing outside, so the two of us are cuddled up under a blanket, watching some cheesy lesbian romance movie on a premium cable channel. But as we watch, I begin to have thoughts, feelings about my best friend that have never really surfaced before now. Maybe it's just the proximity, the feeling of her body heat, or maybe it's the fact that I'm feeling a bit neglected by my boyfriend, and am substituting our intimacy for that. But for whatever reason, I'm beginning to get jealous of her boyfriend, and I can't stop fantasizing about rubbing up against her warm, naked body. Sooner or later, we find out that the light snow has turned to a blizzard outside, and I end up snowbound alone with her for the evening. It's during the climactic love scene of our movie that we suddenly begin to fall into one another, losing our inhibition, and going wild for one another. And things get very, very steamy, very, very quickly. Warning: This book contains lots of HOT sex, drama and adult language. If this is not the kind of stuff you like to read, then start now and see what you have been missing ;-) Enjoy!\* A standalone LESBIAN ROMANCE with a happy ending from best selling author R.P. James.
