### Reviews

*The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).*  
*(Mr. Rafael Hoeger)*

## THE CREEDS AND PLATFORMS OF CONGREGATIONALISM (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Creeds and Platforms of Congregationalism Congregationalism has always accorded large liberty to local churches in their interpretation of doctrine and polity. Its creeds are not exclusively binding, and its platforms have always been held to be open to revision. They have been witnesses to the faith and practice of the churches rather than tests for subscription. But by reason of this liberty a collection of Congregational creeds and platforms illustrates the history of the body whose expressions they are better than if those symbols were less readily amended. The points wherein they agree may therefore confidently be believed to set forth that which is abiding in the faith and practice of the churches, while the features of change and the traces of discussion of more temporary importance which these creeds and platforms exhibit illustrate as clearly that which is mutable in our ecclesiastical life. It is because the writer deems such a collection of prime value in illuminating the history of Congregationalism that this compilation has been made. This volume has grown out of the experiences of the classroom. In his endeavors to teach the story of Congregationalism the writer has been hindered at all points by the inaccessibility of much of the material which must be before the student or the minister if a knowledge of denominational history is to be more than second hand. He has therefore collected the most important Congregational creeds and platforms, and has illustrated them as far as he is able by such historic notes and comments as may serve to make the circumstances of their composition and their meaning plain. About the Publisher Forgotten Books publishes hundreds...
