The Dietary Approaches to Stop Hypertension or DASH diet is designed to help lower one's blood pressure wherein it specifically follows a low-sodium prerequisite. However, the DASH diet does not only limit salt but it also involves in lowering the intake of cholesterol and saturated fat. By doing so, this type of diet will definitely help create a balanced food intake for hypertensive patients as well as those who want to adopt a healthy diet. Furthermore, the DASH Diet was created by medical practitioners to address problems regarding diet as a whole including sodium diet intake. In this eBook, you get to learn in a very concise way what DASH Diet is all about. You also learn what you need to know about the foods you will eat and what you must eliminate from your diet. Here, is a quick list of what you will benefit from with this book: The book includes a graphic representation of the food that you can incorporate in your diet that follows the DASH Diet guidelines. This graph...
