Jessica Kingsley Publishers, Inc, 2007. Softcover. Book Condition: New. Asperger syndrome in the Inclusive Classroom offers support and practical techniques for teachers who work with children with Asperger syndrome (AS). Based on the successful experiences of classroom teachers, and written from a teacher's perspective, this book provides creative and easy-to-apply strategies that support and encourage AS students in the mainstream classroom, from organization and time management techniques to framing classroom instructions to make lessons more accessible for children with AS.
